

## **Missionaries Have a Flight Plan Too: by Niome Hernandez**

### **Part 1 Scene I**

(In this scene it will be the host and a puppet from the skit Flight Plan)

Host: Hey Sleepy, Sleepy!!

P1: (enters because the Host calls him up) Hello \_\_\_\_\_.

Host: Hello Sleepy how are you?

P1: I'm doing good.

Host: I heard that you learned a great lesson today

P1: Oh yea, I learned that God has a plan for my life

Host: What's his plan, Sleepy?

P1: It's like an airplane flight, just as an airplane flight has a purpose for being and a destination point, there is a purpose for our lives and a place where we are going.

Host: It's like when a person wants to take a vacation they have to plan the trip and pick a place. The Pilot will be the one to help get them there.

P1: Yes God's first plan is for you and me to understand his purpose for our lives and what we should do to get us where he wants us to be.

Host: Today the children are learning about Missionaries do you have any ideas about their flight plan.

P1: I don't, but I can ask my friend to help me and then I'll let you know.

Host: That would be great Sleepy, Go ask him and come back later.

P1: Ok I'll see you guys later (puppet exits)

Host: (At this point the host can talk to the children before the puppet reenters the scene)

## **Part 2 Scene II**

(two puppets enter already talking as if in a conversation)

P1: I'm glad I caught you in time

P2: I was about to go shoot some hoops with the guys

P1: Well I need your help again

P2: What is it this time?

P1: Remember you told me about God's plan for me and how it's like a flight plan.

P2: You didn't forget already did you?

P1: No, I didn't forget, now I have a question on Missionaries.

P2: Ok shoot, what's your question?

P1: Does God have a flight plan for Missionaries?

P2: Ummmm let me think a minute (pauses) yes, Missionaries have their own flight plan.

P1: So what is there's like?

P2: Missionaries obey what the bible says about going and making Disciples of all nations, a Disciple is someone who obeys and follows his leader.

P1: What does that mean?

P2: Missionaries are to help people become obedient followers of God.

P1: So what's their flight plan?

P2: First they must evangelize, and to evangelize is to tell others about salvation. Salvation is accepting Jesus as your savior.

P1: What else do they do?

P2: The second part of their plan is to teach people to Worship, we

learn to Worship by obeying, loving, trusting and praying to God.

P1: Why does a Missionary do these things?

P2: A Missionary does these things to show God's love to people. A Missionary will help people understand God will help them through the power of the Holy Spirit.

P1: What other plans does the Missionary have?

P2: The next plan is to train new Christians to live as Jesus wants. Now the new Christian will continue to learn and grow.

P1: What happens to the new Christian?

P2: Once the new Christian is ready, he will become like the Missionary he will evangelize, teach people to worship and he will train new Christians to live as Jesus wants.

P1: Wow, a Missionaries flight plan is so hard

P2: Not really because you and I could be a Missionary.

P1: Me?

P2: Yes you, the bible wants all Christians to go out and make new Disciples.

P1: I guess I could try

P2: You could do it because Jesus' spirit will help you

P1: Thanks for the information; I'm going to tell the kids in Kid'z club everything you told me.

P2: Have fun Sleepy, I'll see you later, bye

P1: Bye (both puppets exit)

(P1 will come back when the Host is ready and then they will discuss the Missionaries flight plan)

**This skit goes with the other skit "Flight Plan". We were doing both skits on the same Sunday so that the children would learn that not only does God have a plan for them but for others as well.**

**But you could split them if you like**

**Have fun, Niome H.**
