

Tower of Babel

CHARACTERS: 3 (and as many extras as you wish)

PROPS: Tools, optional

(Elam and Peleg, who sound like construction workers from New Jersey approach Joktan and/or more puppets having breakfast)

PELEG: Hey, Joktan. Showing up late for work again?

ELAM: Don't bother coming in today.

PELEG: All the work on the great tower has come to a halt. Elam and I just came from there.

ELAM: That's right – I was telling Peleg here its absolute confusion. The bricks aren't getting moved, tar got spilled all over. A real mess.

PELEG: Most of the people are speaking some sort of gibberish. Nobody can tell what's going on.

ELAM: It's a regular zoo over there. And I think I know who's at the bottom of it. Nimrod. *(mocking)* Nimrod, the mighty hunter. I think he's got all the Cushites pretending they can't understand us so they don't have to take orders from us.

PELEG: That old dude, the lunatic that keeps saying we're disgracing the name of YHWH by trying to make a name for ourselves and build a tower right up into the heavens ...

Peleg: *(interrupting)* Yeah, that old fool Javan *(Joktan just gives him a blank stare and shakes his head "no")* the one that says that the heavens and the earth were created in 6 days, *(Joktan nods "yes" like he's just figured out who the guy is)* Javan says this is something YHWH did to humble us.

ELAM: Get this. Javan says from now on we'll speak in different languages. But that's just crazy talk.

PELEG: We all speak the same language.

ELAM: I'm sure its Nimrod and the Cushites trying to pull one over on the rest of us and grab the glory for themselves.

PELEG: *(excited with his "bright idea")* Or maybe its Nahor and Aram playing some kind of practical joke. Everybody pretending they don't understand a word anybody else is saying. What do you think, Joktan?

JOKTAN: Yo no hablo espanole.

OPTIONAL OTHER: Parlez vous, Francais?

OPTIONAL OTHER: Sprechen Sie German?
